PJ Party

Hey Ladybug, You're Invited to Join us
for an evening of Punching Fun!!

Decorate Scallop Circle Book (pictured above) and fill it's 8 pages with Garden Themed Punch Art. Your finished project will be great inspiration for your spring and summer cards, scrapbook pages, or other paper crafts projects.

Are you looking for elements to make your scrapbook pages or cards bloom? This is the class for you! At our Punch Art Backyard Garden class you'll make a Mini Book from our Scallop Chipboard Album full of pretty garden things created with paper punches.

We know life can fly by at a fast pace and everyone needs to stop and smell the roses occasionally! So we're having a PJ party to help you relax. Come in your favorite comfy clothes or Pajamas! (or change there)! We'll have prizes for our favorite outfits.

We've planted lots of prizes, snacks, and creating in our garden. Come join us and watch the FUN grow!
